You were not asked to complete a written proposal form to arrange this insurance policy. Instead you have confirmed the following Statements of Fact, which together with details of your business and number of employees disclosed, form the basis of your insurance contract with Tokio Marine S.A:

This information has been used to calculate your premium, and terms and conditions of your policy and form the basis of the insurance contract between you (the Insured) and the insurer (Tokio Marine S.A). It is therefore important that all the information in this document is correct and that you advise us immediately, if any such details are incorrect or have been omitted.

All material facts must be disclosed. A material fact is one which is likely to influence the insurer in the acceptance and assessment of your risk. If you are in any doubt as to whether a fact is material then it should be disclosed. Failure to do so may mean that your insurance is not valid, or that Tokio Marine S.A is not liable to pay your claims.

Disclosures should be clear and specific and is a requirement throughout the policy period. We will not be deemed to have knowledge of any information generally referred to (for example the contents of company websites), or any matter not expressly drawn to our attention.
